

# Declaration of Compliance for Food contact products

## Blender for household use

Types: BL9296-AVA, BL9305-AVA

Brand names: AEG, Electrolux

We, ELECTROLUX APPLIANCES AB, ST GÖRANSGATAN 143, SE-105 45 STOCKHOLM, SWEDEN,

declare under our responsibility that the above blender for house hold use conforms to the requirements in Regulation (EC) No 1935/2004 in its relevant version. This includes meeting GMP requirements in accordance with Regulation (EC) No 2023/2006.

All conformity testing has been done by independent third party testing body:  
SGS (Shanghai), P.R. China

When used as specified, the overall and the specific migration do not exceed the legal limits.

The materials and raw materials used in the manufacture of the plastics materials comply with Regulation (EU) No 10/2011 and subsequent modifications and integrations and German § 30-31 LFGB.

The materials may contain the following substances with restrictions:

| Specific requirements for plastic material<br>Regulation (EU) 10/2011, Annex IV paragraph 6 | CAS Number | Restrictions (mg/kg)  |
|---------------------------------------------------------------------------------------------|------------|-----------------------|
| Primary aromatic amines (PAA)                                                               | N/A        | < 0,01 (Not detected) |
| Hexamethylenediamine                                                                        | 124-09-4   | 2,4                   |
| Caprolactam                                                                                 | 105-60-2   | 15                    |
| Barium                                                                                      | 7440-39-3  | 1                     |
| Cobalt                                                                                      | 7440-48-4  | 0,05                  |
| Copper                                                                                      | 7440-50-8  | 5                     |
| Iron                                                                                        | 7439-89-6  | 48                    |
| Lithium                                                                                     | 7439-93-2  | 0,6                   |
| Manganese                                                                                   | 7439-96-5  | 0,6                   |
| Zinc                                                                                        | 7440-66-6  | 25                    |
| Acrylonitrile                                                                               | 107-13-1   | < 0,01 (Not detected) |
| Formaldehyde                                                                                | 50-00-0    | 15                    |

**Materials respect limit pertaining to overall migration and specific restrictions under following testing conditions:**

Simulant: As specified in Test report No SHAEC1315929301

Time and temperature: As specified in Test report No SHAEC1315929301

# Declaration of Compliance for Food contact products

## Blender for household use

Types: BL9296-AVA, BL9305-AVA

Brand names: AEG, Electrolux

The overall limit migration, with all other specific restrictions which can be subjected monomers and/or additives which are present in the material, are respected in the use conditions mentioned above. This affirmation is supported by analytical tests or on the basis of migration calculations of substance according to Regulation (EU) 10/2011.

### Specification of intended use or limitations:

Type (s) of food intended to be used with the product:

As specified in user guide

Ratio of the areas of the food contact materials to the volume used to determine the compliance of plastic food contact materials or article has been calculated in accordance with Regulation (EU) 10/2011, Article 17. Global migration ratio for the product is 6 dm<sup>2</sup>/kg

### Manufacturing site(s):

Guangdong Xinbao Electrical Appliances Holding Co., Ltd  
Longzhou Road, Leliu Town, Shunde District, Foshan City  
Guangdong, P.R. China

Date August 20 2015
